

SCHOLARSHIP SCHEME

We need your support!

Your small donation can make a huge difference to a singer's future.

This scholarship scheme is set up to assist students with lesson and course fees, to help our young singers who aspire to university studies or further studies in Australia and overseas.

Your donation goes into a fund and after an interview and audition, students are offered a scholarship to pay or offset costs for lessons, course fees and travel expenses. Your contribution goes directly to the student, and you will be notified of their progress along the way, keeping you informed with how your donation is spent.

Please be generous, as most struggle to pay for their existence, let alone fees for study. Some already have been offered places in university but will not receive any assistance until they start their courses, usually at the end of our academic year.

Our goal is to raise \$30,000 each year to help our students.
